

Action Taken Report

Date: 30-05-2019
 Academic year: 2018-19

Name of the Stakeholder: Student

A staff council meeting has been convened by College Academic Committee with all the in-charges / Heads of the Departments under the Chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Students Feedback above 90% is considered as positive feedback, below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	Curriculum promotes internships, student exchanges, and field trips	Very Good	90	The lecturers are encouraging the students to participate in more internship programmes and create initiatives for which they offer advice and support in whatever way they can. Projects and field trips are encouraged.
2	Curriculum helps you develop soft skills, life skills, and employability skills	Good	85	To better prepare students for the workplace, the institution will take initiatives to include employability, life, and soft skills in the curriculum.

Dr. Nagendra Singh
 PRINCIPAL

Trinity College of Engineering & Technology

3	Curriculum Delivery by teachers	Very Good	90	To improve teaching abilities, integrate new teaching techniques, and use technology successfully in the classroom, instructors will often have training and professional development opportunities planned for them.
4	Teaching faculty accessibility	Good	85	To facilitate student-teacher communication and support, the institute will expand office hours and offer a variety of communication channels, including email, messaging applications, and virtual office hours.
5	Mentors provide adequate guidance on assigned tasks.	Good	85	To make sure that students have the assistance and direction they need to achieve, enough advice will be given to students on assigned responsibilities through the provision of professional development opportunities, mentorship training, and continuous support.
6	Classrooms and laboratories	Very Good	90	To guarantee that students have access to contemporary, secure, and well-equipped classrooms and laboratories that satisfy their academic and research needs, the institution will invest in cutting-edge equipment, renovate existing facilities, and provide essential resources and technical assistance.
7	Knowledge resources/library quality	Excellent	95	By spending money on a variety of digital sources, we will keep enhancing the quality of the library and knowledge sources.

Date: 30-05-2019
Academic year: 2018-19

Name of the Stakeholder: Teacher

A staff council meeting has been convened by College Academic Committee with all the in-charges / Heads of the Departments under the chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Teacher Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	The curriculum is well-structured and suitable for the program	Good	89	<p>The institution will create a curriculum development committee made up of subject-matter experts and entrepreneurs to carry out a thorough analysis of the programme objectives and outcomes, map the curriculum to the desired outcomes, review and update the curriculum on a regular basis based on feedback from stakeholders, and train the faculty on how to effectively deliver the curriculum and align it with the programme outcomes.</p> <p style="text-align: right;"><i>Dr. Nagendra Singh</i> PRINCIPAL Trinity College of Engineering & Technology Karimnagar - 505 001</p>

8	What do you think of the college's co-curricular and extra-curricular activities?	Excellent	95	To further promote student growth and development, the institution will take the necessary steps to increase the provisions for extracurricular, co-curricular, and extension activities.
9	Teachers' internal evaluations	Very Good	90	We'll put into practice a set of standards and policies for evaluation and grading, train instructors in evaluation methods and bias avoidance, set up a system for students to appeal grades, and regularly review the evaluation process to find and fix any problems.
10	Rating of Programme Curriculum	Excellent	95	The curriculum, instruction, and standards will all remain the same.

PRINCIPAL
Dr. Nagendra Singh
PRINCIPAL
 Trinity College of Engineering & Technology
 Karimnagar - 505 001

2	Curriculum objectives are well defined and clear to teachers and students	Good	85	The curricular objectives will be reviewed and updated frequently, a guidebook will be made available, training and orientation events will be planned, and a mechanism for stakeholder feedback will be established to ensure that the objectives are distinct and well-defined.
3	Theory and application are well balanced in the curriculum	Very Good	90	In addition to lectures and in-class discussions, the curriculum will feature a variety of practical assignments, case studies, and real-world projects in order to strike a balance between theory and application.
4	Curriculum-recommended/listed books are relevant and appropriate	Very Good	90	We'll make sure by routinely evaluating and revising the book list, asking teachers and students for comments, and making sure the books are current and in line with the program's objectives.
5	New topics can be proposed, modified, suggested and incorporated into the Curriculum	Excellent	95	To maintain the curriculum relevant, up-to-date, and in line with the shifting needs of the industry and society, the institution will encourage and grant the freedom to propose, revise, recommend, and incorporate new topics.
6	The library has enough prescribed books.	Very Good	90	We'll see to it that students have access to a suitable number of pertinent literature.

2	Curriculum objectives are well defined and clear to teachers and students	Good	89	The curricular objectives will be reviewed and updated frequently, a guidebook will be made available, training and orientation events will be planned, and a mechanism for stakeholder feedback will be established to ensure that the objectives are distinct and well-defined.
3	Theory and application are well balanced in the curriculum	Very Good	92	In addition to lectures and in-class discussions, the curriculum will feature a variety of practical assignments, case studies, and real-world projects in order to strike a balance between theory and application.
4	Curriculum-recommended/listed books are relevant and appropriate	Very Good	94	We'll make sure by routinely evaluating and revising the book list, asking teachers and students for comments, and making sure the books are current and in line with the program's objectives.
5	New topics can be proposed, modified, suggested and incorporated into the Curriculum	Very Good	90	To maintain the curriculum relevant, up-to-date, and in line with the shifting needs of the industry and society, the institution will encourage and grant the freedom to propose, revise, recommend, and incorporate new topics.

6	The library has enough prescribed books.	Very Good	92	We'll see to it that students have access to a suitable number of pertinent literature.
7	The infrastructure for teaching and learning is adequate	Excellent	98	The institution will take the necessary actions to guarantee that the relevant facilities are properly accessible for instructors and students.
8	It is possible to adopt new teaching strategies/ techniques	Excellent	95	To improve the learning environment for students, measures will be taken to guarantee that teachers have the freedom to embrace new teaching strategies and techniques.
9	There are enough optional courses in the programme of studies	Very Good	90	To provide students more options, the institution decided to examine the existing programme of studies and offer more alternative courses.
10	Faculty members receive adequate funding and support for upgrading their skills	Very Good	90	The institution will provide more funding and support to faculty members so they can attend conferences, workshops, and training sessions to advance their education and professional credentials.

Action Taken Report

Academic year: 2022-23

Name of the Stakeholder: Alumni

A staff council meeting has been convened by IQAC with all the in-charges / heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stakeholders.

Alumni Feedback above 90% is considered as positive feedback and below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	Curriculum enables knowledge and employment	Excellent	97	In addition to strengthening the career development centre to offer students placement assistance and career coaching, the institution has examined the curriculum and made the required adjustments to include more practical and industry-oriented components.
