Trinity college of engineering and technology NSS unite on health check-up camp at seminar hall, trinity college of engineering and technology.

Health check-ups are designed not only to detect medical issues, but also to identify risk factors and illnesses before they start to cause problems. Health check-ups aim to not only help the person to prevent illnesses and its complications but also to make changes in the lifestyle for long-term healthy life. Now-a-days even teenagers are also getting heart attacks so to prevent this we have to go for regular health check-ups.

Trinity college of engineering and technology NSS unite on covid-19 awareness at seminar hall, trinity college of engineering and technology.

Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face.
