## REPORT

Name of the program : A session on "Cloud Computing"

Date : 12.11.2018 to 14.11.2018

Timing : 10.30am to 1.30pm

### Resource Person Details:

Name : Mr. V. Venkanna

Designation : Cloud Security Analyst

Contact : 9963161890

The session started by our Principal, **Dr. Nagendra Singh** in Trinity College of Engineering and Technology. **Resource Person Mr. V. Venkanna** talked that **Cloud Computing** is the delivery of different services through the internet, including data storage, servers, databases, networking and software. The cloud computing is most popularly used among the individuals who need larger storage space and for businesses seeking and efficient off-site data back-up solution.

The students learned that how cloud computing makes data backup, disaster recovery and business continuity easier and less expensive because data can be mirrored at multiple redundant sites on the cloud providers network. The session was closed by giving vote of thanks by concerned HOD of CSE department.
