REPORT

Name of the Program : International Womens Day

Date of the Event : 07-03-2020

Trinity College of engineering and technology celebrates **women's day** every year. This day is celebrated in many countries around the world. It is a day when women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. Girl's education strengthens economies and reduces inequality. Different sports like kabaddi, Kho-Kho and running competitions were conducted for girls.

Kabaddi tournament was conducted in our campus. Around 10 teams participated and went on successfully from beginning to end without any problems. Kho-kho was conducted on the same day and 6 teams participated in this activity. 200 meters running competition was conducted and 16 students participated in this activity. Winners were given prizes and all the participants were given participation certificates. These all sports went on without any disturbances and made the event most memorable one.
